

Simply Play Childcare

Simply Play is West Lothian's leading provider of school aged childcare.

We have venues across West Lothian, collecting from 17 primary schools.

We are regulated by the Care Inspectorate with all our staff registered with the Scottish Social Services Council.

As our name suggests, we are all about play. We love outdoor play and making sure all our children have a smile and memory to go home with.

Wonder Woods Woodland Nursery

Wonder Woods is our unique woodland nursery, at Harburn, near West Calder. It is for 2 ½ year olds to school age and is rooted in nature, as West Lothian's first fully woodland nursery. We are a partnership nursery with West Lothian Council, so you can use your free allocation of funded nursery childcare hours with us.
